

Pillars of Support

The Concord Coalition to End Homelessness is very excited about the progress our community has made toward ending homelessness in Concord. And as achievable as we believe that goal to be, the reality is there is so much more to be done.

CCEH's new initiative, Pillars of Support, seeks the help of people from Concord's many and diverse professions and industries to stand with us in the belief that homelessness in Concord will be solved only when the entire community is engaged.

An organization that wishes to be recognized as a Pillar of Support will support CCEH's work financially and publicly and engage others in its industry or profession in ending homelessness in Concord. They will be recognized as solution-oriented leaders determined to tackle and defeat one of our community's most persistent issues.

CCEH Pillars of Support will be recognized and publicized on our website, annual report and, where possible, through social media, event promotions, media shows and press releases.

To become a Pillar of Support, CCEH is asking for sponsorship of at least two of our three annual fundraising events. Based on the understanding that we will not solve the homelessness crisis in one year, an organization will be recognized as a Premier Pillar of Support when making a three-year pledge to sponsor two annual fundraising events.

Together, and only together, we will end homelessness in Concord. Please join us as a (Premier) Pillar of Support.

Ellen Groh

Executive Director, CCEH
